- 1). **Question:**
We would like to know the current rate structure [rates (loaded or unloaded) per hour for each type of service], understanding that this may not end up being the rate structure defined for this RFP?

Answer:
Yes, the current fee schedule is \$85/hr for industrial hygiene services and \$95/hr for certified industrial hygiene services. Additional fees and services in the current contract include: ergonomic services at \$90/hr; training and general services at \$95/hr; basic ADA services at \$85/hr and architectural design for ADA services at \$110/hr.
